Raffle drawing will take place at 2 pm on Sunday.

C.2 Forms

NAFA C.2 forms will be filled out with race schedules pre-printed. They will consist of one double-sided sheet for each team (some fit on one side). If you are using stickers be sure to bring one for each side/page of the form. Do not bring entire C.2 forms. Team lineups may be changed or a performance team may be declared up until the first race of their respective division has started. After a race has been run in a division, no lineups may be changed in that division for any reason.

Scoring

- **All divisions will race round robin formats.**
- **All round robins will be scored 1 point per heat won plus 2 points for winning the race, 1 point for a tied race, 1/2 point for tied heats and 0 points for a loss.**
- **Highest cumulative points win. Ties are decided by:**
  - **Fastest non-BO time in the tournament**
  - **Head to head results (total heats won)**
  - **2/3 race off.**

Titles and Placement Prizes

The top three teams in each division will receive a placement prize (7 per team). Title ribbons are available for each dog earning a NAFA title during the tournament. Make record of the title earned on the posted sheets and pick up your ribbon at your convenience. We'll announce all titles during awards.

Ring Assignment Information

Thanks to Andy McBride, you can keep up with the schedule via FlyballGeek. The old-school system will show the on-deck race.

Venue and Crating

The tournament is being held at the Exhibition Hall at the Chesterfield County Fairgrounds in Chesterfield, VA. Enter through Gate 3. The building does not have AC, but we will have fans at the ready if needed. Crating will be outdoors which offers lots of room for pop-ups. The outdoor area of the venue offers plenty of room for you to exercise your dog(s). We need to keep things clean. Bags and containers will be provided. Please don't allow dogs to urinate along the front of the building or on anything someone has to pick-up. Because the venue is a county-owned facility, alcoholic beverages are not allowed. Open air fires are not permitted.

RV Parking (It's Free!)

Enter at Gate 3. There are 20+ spaces with water and electric to the left. We also have access to the spaces between the building and the chain link fence. There is a single on-site dumping station.
